Notice of Hearing on Proposed Administrative Regulations

The Kansas Department of Health and Environment will conduct a public hearing at 10 a.m. Tuesday, February 21, at the Shawnee County Health Department auditorium, 1615 S.W. 8th, Topeka, to consider adoption of proposed new permanent regulation K.A.R. 28-15-50. The new permanent regulation addresses minimum criteria for cross connection control programs operated by

public water supply systems.

Prior to the adoption of the new regulation, K.A.R. 28-15-18h required all community water supply systems and high-risk non-community public water supply systems to implement a program for the detection and elimination of cross connections and prevention of backflow and backsiphonage. K.A.R. 28-15-50 will promulgate the program elements necessary for an effective cross connection control program and will replace K.A.R. 28-15-18h.

There will be an economic impact on those water systems which have not already implemented a cross connection control program and on industries and individuals who must install cross connection control devices to protect the public water supply systems from backflow of contaminants. It is anticipated that the additional costs to the agency associated with adoption of the regulations will be negligible.

Copies of the regulations and the economic impact statement may be obtained from the Kansas Department of Health and Environment, Bureau of Water, Forbes Field, Topeka, 66620, (913) 296-5500. Questions pertaining to these proposed rules should be directed to Mark

Gerard at (913) 296-5520.

The time period between the publication of this notice and the scheduled hearing constitutes a public comment period for the purpose of receiving written comments prior to the hearing. All interested parties will be given reasonable opportunity during the hearing to present their views, orally or in writing, concerning the adoption of the regulation. Following the hearing, all comments will be considered in determining whether to make changes to the proposed new regulation.

Any individual with a disability may request accommodation in order to participate in the hearing and may request the proposed regulation and fiscal impact statements in an accessible format. Requests for accommodation to participate in the hearing should be made at least five working days in advance of the hearing by

contacting Mark Gerard at (913) 296-5520.

All bids will be publicly opened and read at said time and place and will be acted upon by the district at 7 p.m. Monday, January 23, 1995. No oral or auction bids will be considered.

The bonds will consist of fully registered bonds without coupons in the denomination of \$5,000 or any integral multiple thereof. The bonds will be dated February 1, 1995, and will become due serially on September 1 in the years as follows:

Year	Principal Amount

A bidder may elect to have all or a portion of the bonds scheduled to mature in the years 2011 to 2015, inclusive, issued as term bonds scheduled to mature in 2015 and subject to mandatory redemption requirements consistent with the schedule of serial maturities set forth above, subject to the following conditions: Serial bonds selected for conversion to term bonds with mandatory redemption requirements shall be chosen in inverse order of maturity, beginning with bonds scheduled to mature in 2015; all bonds selected as term bonds shall bear the same rate of interest. Not less than all bonds of the same serial maturity shall be converted to term bonds with mandatory redemption requirements. A bidder shall make such an election by completing the applicable paragraph on the official bid form.

The bonds will bear interest at rates to be determined when the bonds are sold as hereinafter provided, which interest will be payable semiannually on March 1 and September 1 in each year, beginning on March 1, 1996.

Place of Payment and Bond Registration

The principal of and interest on the bonds will be payable in lawful money of the United States of America by check or draft of the Kansas State Treasurer, Topeka, Kansas (the paying agent and bond registrar). The principal of the bonds will be payable at maturity or upon earlier redemption to the registered owners upon presentation and surrender of the bonds at the office of the paying agent. Interest on the bonds will be paid by check or draft mailed by the paying agent to the persons in whose names the bonds are registered on the registration books maintained by the bond registrar at the close of business on the record date for such interest, which shall be the 15th day (whether or not a business day) of the calendar month next preceding such interest payment date.

The district will pay for the fees of the bond registrar for registration and transfer of the bonds and will also pay for printing a reasonable supply of registered bond blanks. Any additional costs or fees that might be incurred in the secondary market, other than fees of the bond registrar, will be the responsibility of the bondholders.

Redemption of Bonds Prior to Maturity

At the option of the district, bonds maturing on September 1, 2004, and thereafter will be subject to redemption and payment prior to maturity on September

1, 2003, and thereafter in whole on any date or in part on any interest payment date in such order as may be specified by the district (and by lot in multiples of \$5,000 principal amount within a single maturity), at the principal amount thereof, plus accrued interest to the redemption date, without premium.

Whenever the district is to select the bonds for the purpose of redemption, it shall, in the case of bonds in denominations greater than \$5,000, if less than all of the bonds then outstanding are to be called for redemption, treat each \$5,000 of face value of each such fully registered bond as though it were a separate bond of the

denomination of \$5,000.

If the district shall elect to call any bond for redemption and payment prior to the maturity thereof, the district shall give written notice of its intention to redeem and pay said bonds on a specified date, the same being described by number and maturity, said notice to be mailed by United States registered or certified mail addressed to the paying agent and bond registrar, and to the manager or managers of the underwriting account making the successful bid, each of said notices to be mailed at least 45 days prior to the redemption date. Thereafter, the paying agent and bond registrar will notify the owners of the bonds of the district's redemption call by United States mail, postage prepaid. If any bond be called for redemption and payment as aforesaid, all interest on such bond shall cease from and after the date for which such call is made, provided funds are available for its payment at the price hereinbefore specified.

Conditions of Bids

Proposals will be received on the bonds bearing such rate or rates of interest as may be specified by the bidders, subject to the following conditions: The same rate shall apply to all bonds of the same maturity. Each interest rate specified shall be a multiple of 1/8 of 1/20 of 1 percent. No interest rate shall exceed the index of treasury bonds published by The Bond Buyer, in New York, New York, on Monday next preceding the day on which the bonds are sold, plus 2 percent. The difference between the highest rate specified and the lowest rate specified shall not exceed 2 percent. No supplemental interest payments will be authorized. No bid of less than the principal amount of the bonds and accrued interest will be considered. Each bid shall specify the total interest cost to the district during the life of the bond issue on the basis of such bid, the premium, if any, offered by the bidder, and the net interest cost to the district on the basis of such bid. Bidders shall specify in the bid form the yields at which the bidder intends that each maturity amount of the bonds shall be initially offered to the public (the initial reoffering yields).

Basis of Award

Following the opening of the bids, the low bidder will be designated by a representative of the district. The low bidder will be the bidder whose bid will result in the lowest "true interest cost" ("TIC or the "Canadian Method"), determined as follows: the TIC is the discount rate (expressed as a per annum percentage rate) which, when used in computing the present value of all payments of principal and interest to be paid on the bonds, from the payment dates to February 1, 1995 (the dated

date), produces an amount equal to the principal amount of the bonds, plus premium, if any. Payments of principal and interest on the bonds will be based on the principal amounts set forth in this notice and the interest rates specified by each bidder. Present value will be computed on the basis of semiannual compounding and a 360-day year of 12 30-day months. No bidder will be designated as the low bidder or as the successful bidder unless its bid shall be in compliance with the other terms and conditions of this notice. In the event that two or more bidders offer bids at the same lowest TIC, a representative of the district will determine by lot which bidder will be designated as the low bidder.

The bonds, if awarded, will be awarded to the low bidder (hereinafter, the "successful bidder"). The successful bidder must pay accrued interest, computed on a 360-day year basis, from the date of the bonds to the date of delivery. Bidders are requested to supply an estimate of the TIC for the bonds on the official bid form described in this notice, computed as specified herein on the basis of their respective bids, which shall be considered as informative only and not binding on either the bidder or the district.

Security for the Bonds

The bonds will be general obligations of the district payable as to both principal and interest from ad valorem taxes which may be levied, without limitation as to rate or amount on all the taxable tangible property, real and personal, within the territorial limits of the district.

Internal Revenue Code of 1986

The Internal Revenue Code of 1986 imposes requirements on the district which must be met subsequent to the issuance of the bonds by the district and, as a result, the district will and does hereby covenant that it will diligently undertake those steps necessary to maintain the tax-exempt status of the bonds. The district's failure to comply with such requirements could adversely affect the tax-exempt status of the bonds. Purchasers of the bonds should be aware that should the bonds lose their status as tax-exempt obligations as a result of the district's failure to comply with such requirements, the bonds are neither callable nor will the rate of interest on the bonds be adjusted to reflect such circumstances.

The code includes interest on tax-exempt obligations, such as the bonds, in the adjusted current earnings of certain corporations in the calculation of alternative minimum taxable income, with certain other adjustments. Furthermore, Section 59A of the code, as added by the Superfund Amendments and Reauthorization Act of 1986, provides for an environmental tax generally based on corporate alternative minimum taxable income. The amount of the tax is equal to 0.12 percent of the excess of alternative minimum taxable income, without regard to net operating losses and the deduction for this tax, over \$2 million. The environmental tax is imposed whether or not the taxpayer is subject to the alternative minimum tax. The environmental tax may subject certain bondowners to additional taxation for interest earned on the bonds.

(continued)

The code also requires property and casualty insurance companies to reduce the amount of their deductible underwriting losses by a percentage of the amount of tax-exempt interest received or accrued on such obligations. With the exception of certain "qualified tax-exempt obligations," the code provides that banks and thrift institutions may not deduct any portion of the interest cost of purchasing or carrying tax-exempt obligations such as the bonds. Under Section 265 of the code, the bonds are not and, as such, will not be designated by the district as "qualified tax-exempt obligations."

Legal Opinion

The bonds will be sold subject to the legal opinion of Nichols and Wolfe Chartered, Topeka, Kansas, bond counsel, whose approving legal opinion as to the validity of the bonds will be furnished and paid for by the district, printed on the bonds and delivered to the successful bidder when the bonds are delivered. Said opinion will also state that in the opinion of bond counsel, assuming continued compliance by the district with the provisions of the resolution authorizing the issuance of the bonds and the code, under existing law, the interest on the bonds is excludable from federal income taxation. Interest on the bonds will also be excludable from the computation of Kansas adjusted gross income.

Delivery and Payment

The district will pay for printing the bonds and will deliver the bonds, without cost to the successful bidder, prepared, executed and registered, on or about February 16, 1995, at such bank or trust company in the state of Kansas or greater Kansas City, Missouri, metropolitan area as may be specified by the successful bidder. Delivery elsewhere will be at the bidder's expense. Said bidder will also be furnished with a certified transcript of the proceedings evidencing the authorization and issuance of the bonds and the usual closing documents, including a certificate that there is no litigation pending or threatened at the time of delivery of the bonds affecting their validity and a certificate regarding the completeness and accuracy of the official statement. Payment for the bonds shall be made in Federal Reserve funds, immediately subject to use by the district. The denominations of the bonds and the names, addresses and social security or taxpayer identification numbers of the registered owners shall be submitted in writing by the successful bidder to the district and bond registrar not later than 3 p.m. C.S.T. on January 31, 1995. In the absence of such information, the district will deliver bonds in the denomination of each maturity registered in the name of the successful bidder.

The successful bidder shall furnish the district by 3 p.m. C.S.T. on January 31, 1995, a certificate acceptable to the district's bond counsel to the effect that (i) the successful bidder has made a bona fide public offering of the bonds at the initial reoffering prices, and (ii) a substantial amount of the bonds was sold to the public (excluding brokers and other intermediaries) at such initial reoffering prices. Such certificate shall state that (1) it is made on the best knowledge, information and belief of the successful bidder, and (2) 10 percent or more in par amount of the bonds of each maturity was sold to the public at or below the initial reoffering prices (such

amount being sufficient to establish the sale of a "substantial amount" of the bonds).

Good Faith Deposit

Each bid shall be accompanied by a cashier's or certified check drawn on a bank located in the United States of America in the amount of \$738,000, payable to the order of the district to secure the district from any loss resulting from the failure of the bidder to comply with the terms of the bid. No interest will be paid upon the deposit made by the successful bidder. Said check shall be returned to the bidder if the bid is not accepted. If a bid is accepted, said check shall be deposited into an account of the district and held until the bidder shall have complied with all of the terms and conditions of this notice, at which time said deposit shall be returned to the successful bidder or deducted from the purchase price at the option of the district. If a bid is accepted but the district shall fail to deliver the bonds to the bidder in accordance with the terms and conditions of this notice, said deposit shall be returned to the bidder. If a bid is accepted but the bidder shall default in the performance of any of the terms and conditions of this notice, the deposit shall be forfeited to the district, with the district reserving the right to pursue any consequential damages arising from such default.

CUSIP Numbers

CUSIP identification numbers will be printed on the bonds, but neither the failure to print such number on any bond nor any error with respect thereto shall constitute, cause for failure or refusal by the purchaser thereof to accept delivery of and pay for the bonds in accordance with the terms of this notice. All expenses in relation to the assignment and printing of CUSIP numbers on the bonds will be paid by the district.

Optional Municipal Bond Insurance

The district will apply for municipal bond insurance relating to the bonds. If approved for municipal bond insurance, the bonds may be purchased with or without such insurance at the option of the successful bidder. The premium for such insurance and any relating rating fee will be paid for by the successful bidder.

Bond Ratings

The outstanding general obligation bonds of the district are rated "Aa" by Moody's Investors Service, and the district has applied to Moody's Investor Service for a rating on the bonds herein offered for sale.

Bid Forms

All bids must be made on forms which may be procured from the district clerk. No additions or alterations in such forms shall be made and any erasures may cause rejection of any bid. The district reserves the right to waive irregularities and to reject any or all bids.

Submission of Bids

Bids must be submitted in sealed envelopes addressed to the undersigned district clerk and marked "Proposal for the Purchase of General Obligation Bonds." Bids may be submitted by mail or delivered in person to the undersigned at the district's administrative offices, 3705 Clinton Parkway, Lawrence, KS 66047, and must be received by the undersigned prior to 2 p.m. C.S.T. on Monday, January 23, 1995.

Date and Delivery of Preliminary and Final Official Statement

The district has authorized the preparation and disbursement of a preliminary official statement containing information relating to the bonds. The preliminary official statement comprises the final official statement required by Rule 15c2-12 of the Securities and Exchange Commission.

The preliminary official statement, when amended to include the interest rates specified by the purchaser and the price or yield at which the purchaser will re-offer the bonds to the public, together with any other information required by law, will constitute a "Final Official Statement" with respect to the bonds as that term is defined in Rule 15c2-12. No more than seven business days after the date of the sale, the district will provide without cost to the purchaser such reasonable number of printed copies of the final official statement and further copies, if desired, will be made available at the purchaser's expense. If the sale of the bonds is awarded to a syndicate, the district will designate the senior managing purchaser of the syndicates as its agent for purposes of distributing copies of the final official statement to each participating purchaser. Any purchaser executing and delivering a bid form with respect to the bonds agrees thereby that if the bid is accepted it shall accept such designation and shall enter into a contractual relationship with all participating purchasers for the purpose of assuring the receipt and distribution by each such participating purchaser of the final official statement.

The district will deliver to the purchaser on the date of delivery of the bonds a certificate executed by the president of the Board of Education and the district clerk to the effect that the final official statement, as of the date of delivery of the bonds, does not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements made, in the light of the circumstances in which they are made, not misleading.

Copies of the district's preliminary official statement relating to the bonds may be obtained from the district clerk or the district's financial advisor, George K. Baum & Company, 120 W. 12th, Twelve Wyandotte Plaza, Kansas City, MO 64105, 1-800-821-7195.

Assessed Valuation and Indebtedness

The total assessed valuation of the taxable tangible property within the district for the year 1994 is \$429,849,224. The total general obligation bonded indebtedness of the district as of the date of the bonds, including the bonds, is \$68,590,000.
